Allowable Subject Matter

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art made of record fails to teach/show a means for detecting the manipulated variable of the power lever; means for determining the degree of leaning of an air-fuel mixture according to the detected manipulated variable; and means for controlling the air-fuel ratio of the mixture so that the mixture becomes lean according to the determined degree of the leaning, wherein a range in which the power lever is operated is secured up to a range beyond the full throttle position of the throttle valve; in the operational range beyond the full throttle position, the throttle valve is kept at a full throttle state; and only the detected manipulated variable varies.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
